

REMARKS

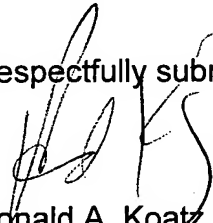

By this Amendment, applicants have amended claims 4 and 5 to overcome rejections under 35 US §112.

Specifically, both claims 4 and 5 have been amended to define a specific range narrower than the broader range claimed in claim 1. Support for the upper limit of claim 4 and the lower limit of claim 5 can be found, for example, in claim 1 and no new matter is added by these changes.

In view of these amendments, it is respectfully requested that rejection of the claims under 35 USC §112 be withdrawn and that claims, as amended, be allowed.

If a telephone conversation would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorney invites the Examiner to telephone him at the number provided.

Respectfully submitted
